You were
Yoursell-ies, isn't it?
You + Guy + I
were together

one late night, driving alone
it ended all to fast
i guess He had to call you home
its something we can't grasp
always walking through the door
with a big smile on your face
all the memories and more
is something we can't replace
now the days will slowly pass
and you will forever live in our hearts
times will last

There is a great deal of interest in the study of the history of the United States, and it is a very important part of our education. We should know about the people who lived here before we came, and the things they did. We should also know about the things that have happened since we came, and how they have changed the country. This is why we study history.

we say it over & over. Allegheny Mountain Radio friends & family. There's something about this little network of community radio that pulls us all together-the volunteers, the music, the listeners, the staff, the folks that call in, the folks who send notes to let us know that we're doing good, or sometimes not so good. Like any other family we have our good times & our bad times. Right now we're having a bad time. We lost a member of our radio family & we're having a real hard time picking ourselves up to do what we need to do. Loren Buzzard had a tragic car accident early Sunday morning. It took his life. He was only 18 years old. Loren joined our radio family when he was about 10. First coming to WVMR as Diane's son, but quickly making his own place -a place that endeared him to all of us. Loren did so many things at Allegheny Mountain Radio-he mowed the grass, he shared his love for Celtic music with his show "The Haggis Bowl", he woke us up on Sunday morning as the host of our Sunday morning gospel program. We struggled with him as he made his way through middle school & watched him proudly as he grew up, & left his mark on Pocahontas County High School. We laughed with him-he just had a way of making people happy & now we grieve & cry for our loss. Loren loved his life-he loved his family-Diana, Colleen, Jim & Diane. He loved his music, he loved his friends & he loved Allegheny Mountain Radio. He understood at such a young age what it was about & how important it is to the community. Loren was wise beyond his years. Now. Now what we have to do to honor Loren's memory is to work as hard as we can & make it the best that we can. We can't do any less for Loren. This is Cheryl Kinderman-General Manager of Allegheny Mountain Radio.

If Tears Could Build a Stairway

Author: Benny Woodley

*If tears could build a stairway
And memories were a lane
We would walk right up to Heaven
And bring you back again*

*No farewell words were spoken
No time to say "goodbye"
You were gone before we knew it
And only God knows why*

*Our hearts still ache in sadness
And secret tears still flow
What it meant to love you
No one will ever know*

*But now we know you want us
To mourn for you no more
To remember all the happy times
Life still has much in store*

*Since you'll never be forgotten
I pledge to you today
A hallowed place within our hearts
Is where you'll always stay*

Celtic Blessing

May the roads rise to meet you,
May the wind be always at your back,
May the sun shine warm upon your face,
The rain fall soft upon your fields
And, until we meet again,
May God hold you in the hollow of his
hand.

He noted that first came the date of her birth
and spoke of the following date with tears,
but he said what mattered most of all
was the dash between those years.

For that dash represents all the time
that she spent alive on earth...
and now only those who loved her
know what that little line is worth.

For it matters not, how much we own;
the cars....the house...the cash.
What matters is how we live and love
and how we spend our dash.

So think about this long and hard...
are there things you'd like to change?
For you never know how much time is left

If we could just slow down enough
to consider what's true and real,
and always try to understand
the way other people feel

*And be less quick to anger,
and show appreciation more
and love the people in our lives*

are there things you'd like to change?
For you never know how much time is left

If we could just slow down enough
to consider what's true and real,
and always try to understand
the way other people feel

And be less quick to anger,
and show appreciation more
and love the people in our lives
like we've never loved before.

If we treat each other with respect,
and more often wear a smile...
remembering that this special dash
might only last a little while.

So, when your eulogy's being read
with your life's actions to rehash...
would you be proud of the things they
say about how you spend your dash?
